- Employee should be able to bend and reach from floor to waist several times throughout the day.
- Employee should be able to crawl around on the floor and interact with the children in their space.
- Employee should be able to do lifting and walking as needed.

**SKILLS:**

- Understand a child's social/emotional, cognitive, physical and spiritual developmental needs at all age levels.
- Must be a very patient individual.
- Demonstrate the ability to create and effectively implement age appropriate activities.
- Have the ability to evaluate on an on-going basis the social/emotional, cognitive, physical and spiritual developmental stages of an individual child.
- Have the ability to plan and implement methods of establishing a positive partnership with the child's parents.
- Possess the ability to interact effectively with children, parents, peers and administrative staff.
- Possess the ability to work both independently as well as within teams.

**RESPONSIBLE FOR:**

- Provide for the physical needs of the child. This includes but is not limited to the following responsibilities:
  - Assisting the child with toilet training including dressing and undressing during toileting.
  - Teaching proper hygiene including washing hands after using restroom, before and after snack time, and after activities that involve handling glue or other craft items.
  - Providing snacks to the children using proper hygiene including wearing gloves when handling food and placing snacks on napkins or in paper cups.
  - Assuring that the tables where snacks are consumed are properly cleaned before and after snacks are served.
- Provide for the emotional needs of the child. This includes but is not limited to the following responsibilities:
  - Giving the child appropriate emotional support and attention to assist in the child's separation from the parent and adjustment to the classroom.

- Provide for the cognitive needs of the child. This includes but is not limited to the following responsibilities:
  - Reading stories and singing songs to the child to enhance their listening skills.
  - Using storyboards and other items from the Learning Lab to enhance comprehension and visual stimulation.
  - Encouraging the use of toys and other objects to enhance eye-hand coordination and fine motor manipulation.
- Provide for the spiritual needs of the child. This includes but is not limited to the following responsibilities:
  - Reading Bible stories from age-specific books to foster Biblical knowledge and growth.
  - Singing songs with spiritual content to foster Biblical knowledge and growth.

**ADDITIONAL RESPONSIBILITIES:**

- Be a team player with your co-workers.
- Be committed to professional self-growth.
- Be open to networking in the educational field, learning from and working with others outside your work arena.
