In **Darfur, Sudan**, 300,000 people have died since 2003 as a result of civil unrest, lack of food and disease. Two million children, women and men are refugees, with little food, drinkable water, protection or hope. The U.N. has identified Darfur as the worst humanitarian crisis in the world today.

The Sudan Project (www.thesudanproject.org) initiated in January 2005 by Ginghamburg Church has invested \$1.8 million into humanitarian relief in Darfur via partnership with the United Methodist Committee on Relief (UMCOR). That investment, made by Ginghamburg and multiple church, school and business partners, has implemented an agricultural project, child development program and safe water initiative expanding to reach a quarter of a million Sudanese refugees and villagers.

You are invited to partner with The Sudan Project's life-or-death mission in Darfur through your financial gift. The entire amount given goes to support the project; none is held back to cover administrative costs. Make your check payable to Ginghamburg Church Sudan Project, and mail or deliver your offering to:
