

# my offering for Sudan

In Sudan, more than 70,000 people have died since March, and two million more have been severely affected. We can help!

◆ Our offering donations, to be collected each remaining weekend in December and Christmas Eve, will be channeled through the United Methodist Committee on Relief (UMCOR), a registered humanitarian aid provider for Sudan. Funds will be released only when they can be safely used for their intended purpose.

◆ Every dollar counts, and even small amounts can supply the tools necessary to bring relief to our Sudanese sisters and brothers:

1 drilled well	\$7000
1 hand-dug well	\$1000
1 medical doctor for 1 month	\$800
1 midwife for 1 month	\$230
1 nurse for 1 month	\$600
1 child fortified for 18 months (nutrition supplements)	\$108
Seeds for 1 family	\$20
1 plow	\$6
1 pick	\$3
Trowels (important for sanitation)	\$2.50

*Excerpts from a letter from Tony Hall, U.S. Ambassador to the U.S. Mission to the UN Agencies for Food & Agriculture*

Dear Pastor Slaughter:

...I was thrilled to hear of your church's **Christmas Miracle Offering** for the suffering in Darfur, Sudan....Having just returned from a visit to the region last month, I can confirm the stories you have seen and read about the tragic crisis....On behalf of the hungry poor I met in Darfur, thank you for all that you are doing....The **United Methodist Committee on Relief** is a fine organization, and there are plenty of needs ranging from food and water, to shelter and health care, agricultural assistance and sanitation....

During this season of recalling the birth of our Savior, I am encouraged that his followers are faithfully doing the work of God's Kingdom. Best wishes and many blessings for this Christmas season.

Sincerely . . . *Tony P. Hall*, Ambassador
