

FRIENDSHIP

USING YOUR WORDS AND ACTIONS

TO SHOW OTHERS YOU CARE.

WEEK

2

K-1st

BOTTOM LINE: Friends accept one another.

Read Romans 15:7

DAY
1

Flip the Verse

With the help of a grownup, write out this verse on 16 separate sheets of paper. Once you finish, flip over each sheet and jumble them up. Try and put the verse back in the right order. After you have done this a few times, ask a grownup to time you. See how fast you can do it! Every time you “flip the verse,”

THINK about a way you can make sure your friends feel accepted.

DAY
2

Toy Theatre

Gather some of your favorite toys. Pretend the toys are putting on a play. In the play, most of the toys are playing a game. One toy is left out because it does not know how to play the game. Have that toy tell the others how it feels to be left out. Then have the other toys think of a way to include the toy.

At the end of the play, **LOOK** at the toy who is now accepted and think about how that would feel.

DAY
3

Movie Mates

What is your favorite movie? **Write your answer.**

Think about that movie you wrote down. Does it include characters that are great friends? How are these characters great friends to each other? **Write your answer.**

Chances are these friends accept one another. Many movies give us great examples of friendships.

THINK about your friends and thank God for the great movie-worthy friends He's given you.

DAY
4

Leave Me Out

This week, when you ask for things in prayer, leave yourself out. Ask only for others. You can pray for good things for your family, friends, even people you do not know.

ASK God to give you the heart to accept others and thank God for accepting you.
