Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God and shown how to develop specific prayer strategies for each area of life. life groups

We all want to know God. We want God to work in our lives. We want to see certain things happen. We want to see change and growth and movement - but have we positioned ourselves for such things to take place?

We were created to be in authentic community. Small groups at Ginghamburg serve as our primary place of connection for friendships and spiritual growth within the church. Groups are based on geographical location, gender, marital status and age - whatever you need to take the next step in your faith.

- If you want to learn more about life groups, send an email to lifegroups@ginghamsburg.org.
- If you are ready to join a group, fill out the life groups form at ginghamsburg.org/lifegroups.
